

## June Woodland Race

5 Miles

Start Line at the pond (speed bump)

Run towards the parking on the other side of the bridge and left up the double track up the hill and turn left at the top

At about .5 miles turn left onto Oscar single track

1.5 miles turn left onto November – Stay on straight section of November to the end

About 1.9 miles turn right up the hill towards Mendon Rd and the water stop (short section of Lima)

Pass water stop and continue down the double track heading back to the beach area (start)

2.1 Miles at the intersection turn sharp left onto Mike

At the end of Mike (2.6m) go straight onto the double track

3 Miles turn right onto the cut through trail heading to the beach area

3.2 miles at the parking lot (2<sup>nd</sup> water station) go left up to the Dam – double track far right trail

3.6 miles run across the dam to the road that heads down to the river/bridge – run across the bridge

3.9 miles turn right down to the river

4.1 miles turn right onto new section of Kilo

At the end of Kilo turn right onto dirt road towards beach area

4.6 miles turn right onto paved road towards beach area

4.7 miles turn right on to K-Prime (unmarked single track after the timeline tree) Finish on the Beach
